Reimbursement. The following 18 practice acts contain statutory or regulatory language allowing the state Medicaid department to directly reimburse dental hygienists for services rendered. A dental hygienist or oral hygienist is a licensed dental professional, registered with a dental association or regulatory body within their country of practice. Prior to completing clinical and written board examinations, registered dental hygienists must have either an Associate's or Bachelor's degree in Dental Hygiene from an accredited college or university. The Sacramento District Dental Society is an approved Continuing Education and Academy of General Dentistry provider through the Dental Board of California.
