

Download Cub Cadet Model Number Lookup

The model number will begin with 13 or 14. The model number on a Cub Cadet riding lawn mower is located on the underside of the seat. The model number will begin with 13 or 14. Enter the model number of your Cub Cadet Riding Lawn Mowers below to search for parts. Cub Cadet's current (1997 and later) model and serial numbers are generally 11 characters in length. A character could be a number, dash or a letter. If 0 represented all numbers and/or dashes and X represented all letters, the model and serial numbers should appear as follows: 00XX000X000... Year of Manufacture - Model & Serial Number Information. The 5th character of our 11 character product serial numbers will indicate the last number of the year that it was manufactured. Example: Serial Number = 1B06 4 H10491 Since 5th character in the example is a 4, the year of manufacture would be a year ending in 4. Ask Our Experts: 515-266-7944. Use our Parts Lookup above to locate the exact part for your small engine or outdoor power equipment. If you already know the part number, enter it in the search box on the blue bar above to purchase.
