

Download Hub Grappler Application Guide

OTC's 6575 Hub Grappler Kit is the complete solution for servicing wheel hubs and bearings on the vehicle without removing the steering components or knuckle. Uniquely Bronze. The Fuel Wheels Bronze ANZA Wheel will add an astonishing look to your 2007-2018 Jeep Wrangler JK. There are bold five spokes, the rugged looking simulated bead lock ring, matte bronze finish of the star design and both the black center hub and black lip. Sure. I personally consider the "chevy" type of ball joint used here, inferior. In their typical application, chevy OE ball joints are riveted in.
