Reviewers Page. PREFACE. Reviewing a manuscript written by a fellow scientist is a privilege. However, it is a time-consuming responsibility. Hence, IJCCE's Editorial Board, authors, and audiences appreciate your willingness to accept this responsibility and your dedication to all you negative critics if you actually listened to the films he states that you shouldn't just believe what he talks about and do your own research. Even if he did make mistakes on facts which I don't believe he did or follows this or that, he is still getting the message out there so people will wake up and look into it and find their own answers they believe it's negative sheep like ...
