Please read this before reading the lesson! Hey everyone! So as I explained in this thread, I wanted to make a thread where I teach people stuff that's useful if you want to do things like investigate file formats or hack ROMs. This is that thread! Before we start I should point out a few things. PokeBot.Ninja - Catch your pokemons like a ninja: The specified thread does not exist. I'll be going to Bali in April with a group of friends and would probably be renting one of the villas there. Here's my problem, my group of friends have girls and the guys are mostly ... Ich drücke mal so aus, es gibt in Europa dutzende Vorladershops, woher sollen wir denn wissen welchen du meinst. Generell sind diese eigentlich immer legal und sicher, solange sie sich an die Gesetze halten und du es auch tust steht dem Einkauf in solchen Shops nichts im Wege
